PROFESSIONAL SUMMARY

Software Developer with 3+ years of experience in designing and developing scalable web applications using PHP, Laravel, CodeIgniter, JavaScript and MySQL. Strong backend expertise with hands-on experience in MVC architecture, OOPS, RESTful APIs, and database optimization. Proven ability to write clean, maintainable code and resolve performance issues. Experienced in agile environments and collaborative product development.

TECHNICAL SKILLS

- Programming Languages: PHP, JavaScript
- Libraries and Frameworks: Laravel, CodeIgniter
- Databases: MySQL
- Web Technologies: HTML5, CSS3, AJAX, JSON, Bootstrap
- Core Concepts: OOPS, MVC Architecture, REST APIs
- Tools & Platforms: FileZilla, GitHub, Tortoise SVN, ChatGPT, Antigravity, Cursor

PROFESSIONAL EXPERIENCE

XDBS Worldwide Pvt. Ltd.
PHP Developer

WTC, Kharadi, Pune
September 2025 – Present

PROJECTS

Campaign Development

- Developed **responsive, client-specific landing pages** with a strong focus on usability and user experience.
- Integrated **interactive elements**, including contact forms and call-to-action components, using JavaScript to improve user engagement.
- Collaborated with designers to deliver **clean, consistent UI layouts** using Bootstrap and custom CSS.
- Ensured **cross-browser compatibility**, optimized page load performance, and followed **SEO-friendly and accessibility best practices**.

Employee Tracking CRM Tool

- Designed and developed a **web-based CRM application** to track employee tasks, work progress, and performance.
- Built **role-based dashboards** providing real-time task updates and key performance insights.
- Implemented **custom management views** to monitor individual and team performance using optimized database queries.
- Implemented **AJAX-based asynchronous operations** to improve application responsiveness and reduce page reloads.
- Optimized **MySQL queries and database structure** to support scalable data handling and improved performance.

PROJECTS

Jewellery ERP Software

- Developed and maintained **core business modules** (Scheme, Sales, Purchase, Transactions, Stock Management, Loan, Accounting, Daybook) ensuring **accuracy, scalability, and high performance**.
- Performed **database query optimization and indexing**, improving **data retrieval performance by ~30%** and enhancing application responsiveness.
- Worked on **Laravel MVC-based applications**, focusing on **clean architecture, maintainable code, and scalable backend design**.
- Built **7+ e-commerce websites and a Sales CRM Tool**, implementing **product catalogs, order management, sales pipelines, dashboards, and secure payment integration**.
- Integrated **Razorpay and third-party RESTful APIs, Barcode Scanner, Printers**, collaborating with cross-functional teams for **secure and seamless payment workflows**.
- Conducted **testing, debugging, and refactoring**, handling bug fixes and **customer-specific feature implementations** to ensure timely delivery.

ADDITIONAL INFORMATION

- Hands-on experience with Laravel**, applying **Object-Oriented Programming (OOP) concepts** and **SOLID principles** to develop clean, maintainable, and scalable web applications.
- Experienced in PHP full-stack development and web application architecture, with a solid understanding of both front-end and back-end technologies.
- Collaborated effectively with IT teams on application development and issue resolution.
- Strong working knowledge of MySQL database design and optimization.

ACHIEVEMENTS

- Best Beginner Developer**
Received the Best Beginner Developer Award at SoftwareGen’s annual Diwali ceremony for outstanding performance. Delivered projects ahead of deadlines with high client satisfaction.
- Developer of the Quarter Award**
Awarded for exceptional performance, innovation, and consistent delivery of high-quality work.Recognizes outstanding contribution to team goals and project success during the quarter.

EDUCATION

BACHELOR OF COMPUTER SCIENCE	Tuljaram Chaturchand College, Baramati	2020 – 2023
HIGHER SECONDARY CERTIFICATE (HSC)	Shree Wardhaman vidhyalay Walchandnagar	2020

CERTIFICATE

FULL-STACK PHP DEVELOPER CERTIFICATION	Orange ITech, Dhankawadi, Pune	2023
